Chicago 47 Ill.

Dear Mr Mc Elligott:

I am in receipt of your letter of June 13th refering to the jacket that was missing from the package shipped to The Eagles.

I am enclosing a copy of the letter I am sending to The Railway Express at this time, and will let you know as soon as I hear from them.

I feel that I was probably careless in signing for the package without examing it, but such a thing as this never happened before, and I of course did not suspect anything wrong this time.

I will let you know as soon as I receive an answer to my letter.

Very Truly Yours
